STRATEGIC ADVISORY SERVICES BY

Odyssey Partners Consulting

Align IT strategies, processes, and governance to overcome
business challenges and achieve sustainable growth.

Governance & Prioritization Review

Struggling to prioritize the right projects? Enable effective project governance with leadership-aligned prioritization frameworks.

Governance & Prioritization Review refines governance processes for better project alignment and resource allocation.

Business Challenges:
- Ineffective project prioritization and resource distribution
- Weak governance frameworks affecting outcomes
- Leadership misalignment on strategic initiatives

Who Benefits:
- PMOs requiring stronger governance processes
- Executives prioritizing high-impact projects

Governance & Prioritization Review Offers:
- Tailored governance frameworks with prioritization criteria
- Tools for aligning projects with business objectives
- Processes for continuous improvement and success measurement

Engagement typically lasts **10 weeks**, focusing on effective project governance and prioritization.

Lets Work Together

1 **Schedule a Consultation**

Contact us to schedule an initial consultation where we can discuss your specific needs and goals.

2 **Stakeholder Meeting**

We will set up a meeting with your key stakeholders to kick off the Discovery Phase.

3 **Proposal Submission**

Based on our initial discussions, we will submit a detailed proposal outlining our approach, timeline, and pricing.

4 **Project Kickoff**

Once the proposal is approved, we will initiate the project and begin the Discovery Phase.

5 **Continuous Collaboration**

We will work closely with your team throughout the engagement to ensure that the project meets expectations and delivers value.
